Meet our Dentist

Our dentist are part of a local Utica tradition of dental comfort and care and have dedicated their professional careers to providing you with the best dentistry has to offer. They are continually educating themselves and their staff on the latest dental techniques and approaches in order to offer you and your families personalized, antiseptic, state of the art dental care.

Dr. Val is a graduate of SUNY at Buffalo School of Dental Medicine. In addition, he has completed a mini-residency in Implant prosthetics. He is a recipient of the Dental Lab Faculty Award and the George B. Snow Award and fixed prosthodontics.

Dr. Natalia is also a graduate from SUNY at Buffalo School of Dental Medicine. In addition to holding a certificate of merit in fixed prosthodontics, she is certified in sedation and dental implant technology. Dr. Natalia is a recipient of the Quintessence Award of Academic Achievement, Buffalo Graduate Chapter Award, and the Robert B. Levine Award in fixed prosthodontics.

MID-YEAR REALITY

As the summer marks the half-way point to the expiration of your dental insurance, are your benefits half full or half empty? Are you taking full advantage of the policy you're paying for? As your dedicated Dental professional, it's important that I recommend you plan and schedule your dental visits now-through summer to the end of the year-because, before you know it, your insurance benefits will be expiring. Make sure you optimize your insurance to ensure optimal oral health.

Let this newsletter serve as a reminder of last years, year-end goal. A goal that we are dedicated to helping you achieve: a beautiful, healthy smile. And remember, we CAN accommodate your schedule, call today for an appointment!!!
